

Employer of choice ^[1]

Sandoz Canada has been selected as one of Canada's Top 100 Employers for 2017 in a contest organized by Mediacorp Canada. The annual contest assesses Canadian companies based on various key criteria. This designation is in line with our 2020 Vision of becoming an Employer of Choice.

Sandoz Canada stood out in the Mediacorp contest because of its competitive benefits, its training and career development program, and the variety of its internal communication tools. Other differentiating factors include the breadth of its activities (such as the United Way campaign, Be Healthy activities, Social Club, etc.), the quality of the company's working environment, and its location close to a host of practical services.
