

## Grants, Donations and Sponsorships <sup>[1]</sup>

At Sandoz, our goal is to become Canada's most respected and thriving healthcare company as well as an industry leader in the way we conduct our activities. Thus, Sandoz respects every standard of ethical business practices; this includes our support for projects in the community.

All funding requests are assessed by an internal committee at Sandoz Canada. **To make a request for funding by Sandoz Canada, you must meet all the requirements below before you can access the funding support form.** Please note that all submitted requests that meet the requirements will be duly assessed.

### **STEP 1: ACKNOWLEDGEMENT & CONFIRMATION**
