

## **CREORECTAL® Adults-10 suppositories** [1]

### **Recommended use or purpose:**

Temporary relief of chest congestion and wet cough due to common colds.

### **Ingredients:**

Medicinal Ingredients: guaiacol carbonate 600 mg , camphor 5 mg, histaminicine (diphenylpyraline hydrochloride) 1.5 mg. Non-Medicinal Ingredients: hard fat

### **Dosage:**

Adults (19 years and over): 1 suppository morning, noon and night. Acute cases: up to 6 daily. Remove suppository from packaging and insert into the rectum.

### **Warning:**

Keep out of reach of children. Do not use in patients with a history of epilepsy or febrile convulsions, or with a history of anorectal lesions. Read the complete instructions prior to use and follow them all.

\*For additional information, or to learn more about the proper use of this product, be sure to read the product leaflet and/or product monograph before use.
