

2021 Top Employer Canada ^[1]

Global Impact ^[2]

Sandoz Canada is proud to be certified for the third consecutive year as one of Canada's Top Employers by the Top Employers Institute. Our certification is in addition to our certification as Best Employer in North America and Best Employer in the World for 2021 with Sandoz offices certified in 30 countries. Sandoz Canada joins a prestigious group of companies from 120 countries/regions around the world that are committed to providing the best possible work environment for their employees through innovative human resources practices that focus on people (talent management strategy, work environment, acquisition of new talent, training and skills development, workplace well-being, diversity and inclusion). This is an important hallmark in our journey towards a more curious, inspired and “unbossed” (autonomous) corporate culture. We are thrilled with this accomplishment and thank the Institute of Top Employers for this important recognition. We wholeheartedly pursue our work to be a company our employees are proud to work for.
